

GOOD FARM ANIMAL WELFARE AWARDS 2017

- WINNERS INFORMATION -

Abel & Cole

Award Name: Good Egg Award

Award Category: Whole egg

Policy Status: Current

Country: UK

Award Name: Good Chicken Award

Award Category: Fresh chicken

Policy Status: Current

Veg box pioneers Abel & Cole began over 28 years ago when Keith Abel lugged a big bag of organic spuds around south London after first learning about the benefits of organic. Nowadays they deliver (in their happy yellow vans) not just fantastic seasonal organic fruit & veg boxes, but artisan bread, milk, meat, recipes boxes, meal kits and more, to thousands of good-food loving homes around England and Wales every week.

Amazon Fresh

Award Name: Good Egg Award

Award Category: Whole egg

Policy Status: Current

Country: UK

Amazon Fresh entered the UK market in 2016 and currently delivers to 260 London, Surrey and Hampshire postcodes. The online retailer offers a range of 130,000 fresh and frozen grocery items.

**Aryzta Food Solutions -
Coup de Pates and Otis Spunkmeyer**

Award Name: Good Egg Award
Award Category: Egg product
Policy Status: Commitment
Country: EU

The Aryzta group is one of the European leading supplier of frozen bakeries. Its brands Coup de Pates and Otis Spunkmeyer offer over 1500 references to food service and retail professionals. For these two brands, Aryzta has committed to use exclusively cage-free eggs across recipes by 2022, which is why they receive a Good Egg Award this year.

Camst

Award Name: Good Egg Award
Award Category: Whole egg
Policy Status: Commitment
Country: Italy

Every day Camst - leading Italian Food Service Company - is bringing home quality food in schools, companies, hospitals, fairs, malls and city centres, both in Italy and abroad. Camst is able to combine the Italian traditional food taste with a modern innovation reality, as well as with the safe manufacturing processes of certified and controlled raw foods. Camst is operating in all food service sectors, from canteens where it holds the leadership as an Italian company, to commercial catering where in 2015 it launched the chain *Dal 1945 Gustavo Italiano*.

**Casino Group –
Casino Supermarchés, Franprix,
Leader Price**

Award Name: Good Egg Award
Award Category: Whole egg
Policy Status: Commitment
Country: France

Retailer brands Franprix, Casino Supermarchés and Leader Price, belonging to the French retail group Casino, gather 7741 stores in France. The Casino Group, whose aspiration is to improve farm animal welfare across its supply chain through an active and concrete policy, has committed to stop selling cage eggs in all the Franprix, Leader Price and Casino supermarchés stores in France by 2020. CIWF applauds this important decision by giving them a Good Egg Award.

Award Category: Egg product

Policy Status: Commitment

Country: UK

Following their 2014 Good Egg Award for their cage free policy on whole /shell eggs, Greggs continue to demonstrate they take animal welfare seriously by committing to move all egg ingredient to cage free by 2022. With over 1,700 shops and a competitive supply chain serving millions of customers each week, Greggs is the UK's leading bakery food-on-the-go retailer. Greggs continually lead the way on animal welfare with their pragmatic approach to improve both welfare and transparency of their supply chain. Compassion are delighted to work with Greggs and support them in proving it is possible to offer customers high welfare, ethically sourced food at affordable prices.

Herta

Award Name: Good Egg Award

Award Category: Egg product

Policy Status: Commitment

Country: France

The Herta brand is the most chosen brand by French consumers. Well known for its charcuterie products, it also offers a wide range of culinary products such as cake preparations and a new vegetarian range "Le Bon Végétal", which has already convinced a million of households in just one year. As part of its "Herta commits" program, the brand has committed to use only cage-free eggs in its recipes by 2019, which is why they receive a Good Egg Award this year.

Jamie Oliver Group

Award Name: Cage Free Award

Policy Status: Commitment

Country: Global

The Jamie Oliver Group is a commercial business with social purpose. The group makes a difference through global campaigning, world class dining experiences and products that define their values in order to educate on the importance and joy of real food. The group consists of four key pillars including The Jamie Oliver Restaurant Group, which oversees fast-expanding global restaurant brands; and Jamie Oliver's Food Foundation, which aims to shape the health and wellbeing of everyone, providing access to education about food. Their animal welfare standards and sustainability are at the heart of the business.

LA POSTE

Award Name: Good Chicken Award
Award Category: Fresh chicken
Policy Status: Commitment
Country: France

The French postal company La Poste, with 17,000 sites in France, is the number one French proximity network. With its 71 restaurants contracted with Elicor, La Poste wishes to offer its postmen high quality catering. Its commitment, in collaboration with Elicor, to serve chicken meat exclusively from higher welfare systems, is applauded by CIWF with a Good Chicken Award.

LIDL

Award Name: Good Rabbit Commendation
Award Category: Fresh and ingredient
Policy Status: Current
Country: Belgium

LIDL is the number one smart discount retailer in Europe. In Belgium, LIDL is committed to offer higher welfare choices to its customers and receives this year a Good Rabbit Commendation for its policy to source all of its fresh and processed rabbit meat from cage-free, higher welfare park systems, in collaboration with its supplier Lonki.

Madeo Tenuta Corone

Award Name: Good Pig Award
Award Category: Cured/cooked hams and sliced meats
Policy Status: Commitment
Country: Italy

Pig producer Madeo Tenuta Corone was founded in 1984. Starting from seven pigs, the Madeo family began a journey which lasted over 20 years using a native breed in danger of extinction, the Black Pig of Calabria. Their farms are located in the Calabria region, in the South of Italy, and today they rear around 3000 pigs each year. Over the years they have implemented higher welfare standards for their sows and fattening pigs. The sows are reared outdoors throughout their entire lives including during farrowing, while meat pigs have access to an outdoor area and to a deep straw bedding across the whole year. Thanks to the cooperation with their UK partner Winterbotham Darby, following last year's Good Sow Commendation, Madeo Tenuta Corone's commitment is now recognised with a full Good Pig Award.

Marcos

Award Name: Good Pig Award

Award Category: Cured/cooked hams and sliced meats

Policy Status: Commitment

Country: Spain

Marcos is located in the province of Salamanca, in a little village called Sotoserrano in Spain. The farmers that work with Marcos raise Iberian pigs by the traditional process, Iberico Bellota Free Range as well as Iberico Cebo Campo Free Range. Marcos is developing and improving the traditional processes to better the welfare and quality of life for the pigs which they believe will have a direct impact on the quality of the finished product in addition to sustainability and environmental benefits. Following their last year Good Sow Commendation, thanks to the cooperation with their UK partner Winterbotham Darby, Marco's commitment is now recognised with a full Good Pig Award.

EST. 1884

Marks and Spencer

Award Name: Cage Free Award

Policy Status: Commitment

Country: EU

Founded in 1884, M&S has grown into an international, multi-channel retailer, selling high quality, great value products to 32 million customers throughout 959 UK stores and via their e-commerce platform. For more than 130 years, customers have trusted M&S to behave in a responsible way. The commitments they make through Plan A ensure that they make a positive difference, by sourcing responsibly, conserving energy, reducing waste or supporting the communities they serve. Animal Welfare is a critical part of this and they are committed to delivering leading standards of welfare for all animals in their supply chain.

McDonalds Restaurants

Award Name: Good Dairy Commendation

Award Category: Liquid Milk

Policy Status: Current

Country: UK

One of the world's most recognisable brands, McDonald's UK is committed to improving animal welfare across its categories and has secured Good Egg Awards (2008 & 2015), Good Sow Commendation (2013) and Best Marketing Award (2016) from Compassion in World Farming. This year, Compassion is delighted to be recognising McDonald's UK for their policy to use only organic liquid milk in their teas, coffees, porridge and Happy Meal bottles. McDonald's has proudly run its UK business for over 40 years and currently operates over 1,270 restaurants, serving more than 3 million customers every day.

MONOPRIX

Monoprix

Award Name: Good Rabbit Commendation

Award Category: Fresh rabbit

Policy Status: Commitment

Country: France

French retailer Monoprix, owned by the Casino Group, has over 650 stores in France. As part of its sustainability program, Monoprix has been committed to improve animal welfare in its supply chain for a number of years. They have already received a Good Egg Award and a Good Dairy Commendation by Compassion and this year, Monoprix receives a Good Rabbit Commendation for its commitment to source its fresh rabbit meat only from cage-free, higher welfare park systems for fattening rabbits.

Natural Grocers by Vitamin Cottage

Award Name: Good Egg Award

Award Category: Whole egg

Policy Status: Current

Country: US

Founded in 1955, Natural Grocers is committed to providing customers with affordable, natural and organic foods and dietary supplements. The retailer offers free science-based nutrition education at every store to help customers make informed health and nutrition choices that are also good for the environment. Natural Grocers operates approximately 140 stores within the United States and carries only 100 percent USDA Certified Organic produce, 100 percent free range or better eggs, pasture-based dairy and naturally raised meat. We believe in supporting farms and ranches that take care of animals and manage the land responsibly.

NOODLES & COMPANY

World Kitchen®

Noodles & Company

Award Name: Good Egg Award

Award Category: Egg product

Policy Status: Current

Country: US

Noodles & Company offers guests familiar and far flavours from around the world. Great-tasting food starts with high-quality, great tasting ingredients. Each of its globally-inspired noodle dishes are prepared to order, allowing guests to customize any dish to their specific liking. We use cage-free eggs, organic milk and tofu, naturally raised pork, and hormone-free dairy. From our first day of business, we have expected our suppliers to meet or exceed all industry standards regarding farm animal welfare and safety. Since then, we have initiated a number of milestones to support the advancement of new technologies and methods for ensuring humane treatment of the animals in our supply chain and look forward to continuing to do so.

Pret

Award Name: Cage Free Award

Policy Status: Commitment

Country: Global

In 1986, Pret opened the doors of our very first shop in London. A shop with a mission. A mission to create handmade, natural food, using quality ingredients. Pret has been creating fresh, handmade food from natural ingredients for 30 years. In that time we've grown to over 440 shops in six countries around the world, serving more than 450,000 customers every day. Pret is committed to farm animal welfare, environmental stewardship and ethical farming demonstrated through numerous Good Farm Animal Welfare Awards for their UK operations (Good Egg Award for whole/shell egg 2008, Good Chicken Award 2010, Good Pig Award 2012, Good Dairy Award 2016) as well as a Good Egg Award for their cage free egg policy and commitment in the US (2015 & 2016).

Quorn Foods

Award Name: Good Egg Award

Award Category: Egg product

Policy Status: Current

Country: Global

Quorn Foods produces the leading meat-free brands Quorn and Cauldron Foods, which are sold in over 20 countries worldwide. They have been awarded a Good Egg Award for their global cage-free policy for these leading brands.

Schiever Group

Award Name: Good Rabbit Commendation

Award Category: Fresh rabbit

Policy Status: Commitment

Country: France

The Schiever group, with its 10 retail brands including bi1, ATAC and Maximarché, counts over 180 stores in France and beyond. Farm animal welfare is an important part of their CSR strategy, and they have already received a Good Egg Award by Compassion in 2015 and a Good Chicken Award in 2016. This year, Schiever takes the next step and receives a Good Rabbit Commendation for its commitment to improve the welfare of fattening rabbits in its supply chain, making sure that all fresh rabbit will be sourced from higher welfare cage-free park systems.

Shake Shack

Award Name: Good Egg Award

Award Category: Whole egg & Egg product

Policy Status: Current

Country: US

Award Name: Good Sow Commendation

Award Category: Bacon, gammon and sausage

Policy Status: Current

Country: US

Shake Shack is a modern day “roadside” burger stand known for its 100% all-natural Angus beef burgers and flat-top Vienna beef dogs (no added hormones and no antibiotics ever), 100% all-natural chicken (no antibiotics ever), spun-fresh frozen custard, crinkle cut fries, craft beer and wine (available at select locations) and more. With its fresh, simple, high-quality food at a great value, Shake Shack is a fun and lively community gathering place with widespread appeal. From its premium ingredients and caring hiring practices to its inspiring designs and deep community investment, Shake Shack’s mission is to Stand For Something Good®. Since the original Shack opened in 2004 in NYC’s Madison Square Park, the company has opened multiple locations in 18 states and the District of Columbia, as well as international locations including London, Istanbul, Dubai, Tokyo, Moscow and more.

Systeme U

Award Name: Good Chicken Award

Award Category: Fresh chicken

Policy Status: Commitment

Country: France

Award Name: Good Rabbit

Commendation

Award Category: Fresh rabbit

Policy Status: Commitment

Country: France

Retailer Système U holds over 1500 stores in France. As part of its ambitious farm animal welfare policy, Système U has committed to source its own brand fresh chicken exclusively from higher welfare systems, in partnership with its supplier Terrena Nouvelle Agriculture, which is why they receive a Good Chicken Award this year. They also receive a Good Rabbit Commendation for their commitment, in partnership again with Terrena Nouvelle Agriculture, to source their own brand fresh rabbit meat only from higher welfare, cage free park systems for fattening rabbits.

TESCO

Award Name: Best Retailer Innovation Award

Country: UK

Tesco is the UK's largest retailer, with over 2500 stores and over 300,000 staff. Tesco has made a serious commitment to have high animal welfare standards in their supply chain and this is reflected in our awards this year. Compassion are delighted to award Tesco the Best Retailer Innovation award for their pioneering and innovative work to improve the welfare of farmed fish.

Waitrose

Waitrose

Award Name: Best Retailer Award

Award Name: Best Retailer Marketing Award

Award Name: Cage Free Award
Policy status: Commitment

Country: EU

At Waitrose, animal welfare and good business go hand in hand. Waitrose work closely with their farmers to ensure that the livestock that provide the meat, eggs, milk and other livestock products are reared to the highest welfare standards. It is therefore not surprising that Waitrose have been awarded Compassion's Best Retailer Award for the sixth time, reflecting their high level of performance and commitment to continuously improve animal welfare in their supply chain. Compassion are also delighted to award Waitrose the Best Retailer Marketing Award and the Cage Free Award for their commitment to ensure that all animals in their supply chain are reared free of confinement.
